

# Dune

A concise range of  
occasional & meeting tables.

orangebox

➔ BIGLAAG - DUNE-03

## Product Description

This range, built off a four-star cast aluminium base, can be used at both occasional and meeting height. Tops can be glass or wood and are available in a variety of shapes and sizes.

Dune's cast leg can be specified with glides or castors, and because it shares the same design language as other Smartworking products, Dune is easy to combine with them in a wide variety of settings.

## Product Specification
