Moby

Now at last there's a storage solution that's as unique as every individual's work needs. Moby is a **versatile, mobile** storage unit that helps you organise your workspace your way. It can be personalised inside and out with accessories that **save you time** by helping you to **organise your stuff just the way you like it.**

Like every Steelcase product, Moby is designed to help you **be more productive.** It's easy to reconfigure as your needs change throughout the day so you'll **remain effective in every work situation you encounter.** And because Moby's mobile, you can take it with you and **have everything you need to hand.**

But that's not all. Moby has a standing height work surface, which is **ideal for a laptop or as an informal meeting point.** It can also be used as a screen to **create privacy or partition an area,** helping you to **make the most of your workspace.** Plus its cool modern design looks at home in any environment. With Moby by your side, you'll be able to **set up your own personal office wherever and whenever you find a place to work.**

No two Mobys are alike because everyone's different. Moby **saves you precious time and increases your productivity** because it can be set up just the way you want it.

This is not a cupboard on castors...

Moby can be personalised **on the outside** with a Laptop Bag Holder (1), Tube/Plans Holder (2), Magazine Holder (3), Coat/Key Hook (4), Book-end (5) and Letter Box and Label Holder (6).

Inside Moby is just as personal and unique as on the outside. Configure it to suit your workstyle with **smart, simple organisation tools** that sort and store your stuff more effectively, making life just that little bit easier. What's in **your Moby**?

...This is my mobile office

Configure your Moby **on the inside** to suit your workstyle with smart, simple organisation tools like Pull-Out Filing Frames (7/10), 1+1 Storage Box (8), Drawers (9), and 1+1 Organisation Tools (11/12).

The HR consultant

Secure sliding door keeps personnel files from prying eyes; space for a diverse range of files and personal effects.

The product manager

Keeps key papers organised and has shelf space for A4 binders, samples and brochures, plus grab-and-go bag deposit outside.

The graphic designer

Pull-out filing frames and a secure draw for reference materials, a holder to house proofs, drawings and plans, and book-ends to secure reference books.

The accountant

Hanging files for documents and vertical space for A4 binders, a tidy drawer, a lockable sliding door and external features.

The sales person

Small, lightweight, secure configuration with a storage box and shelf space for a few essential items.

The vice president

Less is more: a slim, simple configuration with a lockable sliding door for confidential documents and a hook for outdoor clothes.

Organise your entire workspace with 1+1 Organisation Tools

Moby is more than just mobile storage; it's also a mobile office. Moby allows you to seamlessly transform any location into your personal workstation with everything just the way you like it – thanks to **1+1 Organisation Tools**. 1+1 Organisation Tools are flexible, removable tools like **hooks, cable holders, trays and boxes** designed to work in combination with other Steelcase products. Simply transfer your stuff from your Moby in moments by **fixing, hanging or slotting** them onto or into another Steelcase product.

1+1 Organisation Tools can be hung on Steelcase organisational rails, stored out of sight, stacked or simply placed on the desktop.

1+1 hook, ideal for personal items like jackets, keys and headsets, also attaches onto a desk or boards.

1+1 cable stop fits all desks.

As flexible as you are

B6145

Everything within easy reach, in every work situation.

Moby helps you to **be effective in any work situation** because you can simply take it with you and have **the tools of your trade at hand**. It lets you reconfigure your work environment according to your needs giving you the flexibility to **be on top of things wherever you want to work**.

B6146

Light and highly mobile, it's easy to take Moby with you wherever you go.

Wherever you work – however you work

B6149

Informal meetings An impromptu meeting point for mobile teams.

Moby's **mobility** means you can set up your office wherever you find a place to work. Moby's **multifunctionality** means you can work how you want, because it can be used for more than just storage – such as **informal meetings** or to **create visual privacy**.

B6113

Visual privacy A handy screen to create a private space for concentration tasks.

Moby's environmental performance

Like for any other Steelcase product, during Moby's development process we considered the environmental impact of our decisions at every stage of the product's lifecycle -from materials extraction, production, transportation, use and re-use, to end of life.

With Moby we can provide:

- Product Environmental Profile (PEP)** Based on the ISO 14021, its purpose is to communicate precise, verifiable and accurate information on environmental aspects of the product during its life cycle.
- Moby complies with the German environmental certification "**Blauer Engel**".
- PEFC.** The wooden components of Moby are labelled with PEFC (Programme for the Endorsement of Forest Certification).
- E1.** The **particle boards** comply with the low emission «E1 standard (EN 13986)».

About Steelcase

Since 1912, Steelcase has made a meaningful and measurable contribution to the **success of our customers**. We do this using in-depth knowledge of work and work processes as a basis for creating a **better work experience**. We make this possible by offering a wide range of **quality office furnishing solutions** and support that customers can always rely on, no matter where in the world they are. We add **measurable value** by understanding how people work and serving them through our **unmatched global network**. **Sustainability** is embedded in everything we do. This has made us the **preferred partner** for many of the **world's best companies**.
